#### **REPORTING TO PARENTS:**

Parents have the primary responsibility for their children's learning and development. Schools can strengthen the capacity of parents to support their children in this way by sharing meaningful information about the progress that their children are achieving in the education system. This information needs to draw on the different sources of evidence that staff use, such as conversations with the learner, data-collection and documented progress on objectives and milestones reached in their short and long-term planning, examination of students own self-assessment data, documented observations of the learners engagement with tasks, outcomes of other assessment tasks and tests,

and examples of students work. In turn, parents will often be able to enrich staffs knowledge of their students' progress through providing further information about the students learning at home.

### **REPORT CARD TEMPLATES:**

Schools should help parents to understand fully the evidence of learning that the school reports to them, especially information from any standardised tests. The NCCA has provided a range of standard report templates to assist schools in reporting information about the progress of primary pupils to parents, including information from standardised tests. The NCCA report card templates were developed through a process of consultation with schools and parents can take account of research commissioned by the NCCA. Copy of report card attached to policy.

### **THE REPORT CARDS PROVIDE FOR REPORTING IN FOUR KEY AREAS:**

- The child's learning and achievement across the curriculum
- The child's learning dispositions
- The child's social and personal development
- Ways in which parents can support their child's learning

St Ailbe's N.S. uses standard report card templates for reporting to parents on students' progress and achievement at school.

### **FORMAL MEETINGS:**

Formal timetabled parent/teacher meetings take place in October/November. However, if a parent wishes to arrange a meeting at any stage during the year to discuss their child, they may do so by prior appointment.

- All communication sent from the school will be sent to the child's home address as given on the enrolment form, unless otherwise requested by parents
- In the case of separated parents, requests can be made by both parents to meet their child's teacher(s) individually for parent/teacher meetings
- Formal meetings can be set up at request of parent/teacher/principal.

### **FORMAL MEETINGS-IEP'S:**

Formal timetabled parent/staff meetings on the subject of the **Individual Education Plan** will take place in September/October. However, if a parent wishes to arrange a meeting at any stage during the year to discuss their child, they may do so by prior appointment. IEP's are a working document and are continually reviewed and updated.

### **INFORMAL PARENT/STAFF MEETINGS:**

- The School encourages communication between parents and staffs
- Meetings with the class teacher at the classroom door to discuss concern is discouraged on a number of grounds:
  1. Staff cannot adequately supervise a class while at the same time speaking to a parent
  2. It is difficult to be discreet when so many children are standing close by
  3. It can be embarrassing for a child when his/her parent is talking to staff at a classroom door

Occasions occur where a parent needs to speak to a staff member urgently. Sometimes these meetings need to take place without prior notice. The Principal will aim to facilitate

such meetings making every effort to ensure that the children in the class do not lose out on any of the teaching/learning time.

### **COMPLAINTS PROCEDURE:**

Complaints are infrequent, but the school would wish that these would be dealt with informally, fairly and quickly. The following is the agreed complaints procedure to be followed in primary schools.

#### **STAGE 1-INFORMAL STAGE:**

- A parent/guardian who wishes to make a complaint should, firstly approach the **class teacher** with a view to resolving the complaint or pass this on through the HSCLE who uses the 'What would you like me to bring back to the school approach?'
- Where the parent/guardian is unable to resolve the complaint with the class staff he/she should approach the **Principal** with a view to resolving it
- If the complaint is still unresolved, the parent/guardian should raise the matter with the Chairperson of the Board of Management with a view to resolving it.

#### **STAGE 2-FORMAL STAGE:**

- If the complaint is still unresolved and the parent/guardian wishes to pursue the matter further, he/she should lodge the complaint in writing with the Chairperson of the Board of Management
- The Chairperson will bring the precise nature of the written complaint to the notice of the staff member and seek to resolve the matter between the parties within 5 days of receipt of the written complaint.

#### **STAGE 3:**

- If the complaint is not resolved informally, the Chairperson should, subject to the authorisation of the Board:
  - a. Supply the staff member with a copy of the written complaint and
  - b. Arrange a meeting with the staff member, and where applicable, the Principal with a view to resolving the complaint. Such a meeting should take place within 10 days of receipt of the written complaint.

#### **STAGE 4:**

- If the complaint is still not resolved, the Chairperson should make a formal report to the board within 10 days of the meeting
- If the Board considers that the complaint is not substantiated, the staff member and the complainant should be so informed within 3 days of the Board meeting
- If the Board considers that the complaint is substantiated or that it warrants further investigation, the following steps should be followed:
  - a. The staff member should be supplied with copies of any written evidence in support of the complaint
  - b. He/she should be requested to supply a written response to the complaint to the Board and should be afforded an opportunity to make a presentation to the Board and to be accompanied by another person to that meeting
  - c. The Board may arrange a meeting with the complainant, who may be accompanied by another person to this meeting.

#### **STAGE 5:**

Following the Board's investigations, the Chairperson shall convey the decision of the Board in writing to the staff member and the complainant within 5 days of the meeting of the Board. The decision of the Board shall be final.

### **BEHAVIOUR OF ALL STAKEHOLDERS IN THE SCHOOL:**

Positive and respectful communication is of high importance to our school. This not only extends to the children but to all of the stakeholders e.g. the staff, parents and the

wider community. Anyone entering our building should feel safe to do so. While the behaviour of children in our school is of vital importance, adults in the school community also have a responsibility to ensure their own behaviour models the types of behaviour expected of children.

It is important that all stakeholders are responsible for their own behaviours in the school. Examples include:

- All stakeholders are expected to speak to each other with respect. Shouting or other aggressive tones are not acceptable. If a stakeholder displays anger or aggression to another member of the school community, they may be asked to remove themselves from the building or in the case of a phone conversation following suitable warning the phone conversation will be terminated. In certain cases, the Gardaí may be called.
- All stakeholders will treat our children with the utmost respect while on the premises
- Staff should not be asked to speak about another parent's child. The staff of the school will respect your child's right to privacy so it is asked that parents respect other children's rights to privacy.
- When stakeholders meet, it is important to respect that the time of meetings should be kept to a reasonable amount of time. Times of meetings should be agreed beforehand and these should be respected.
- Should a parent need to have a discussion or meeting, an appointment should be made at a convenient time for both parties. This ensures that issues can be resolved. Classes begin at 8 50am and finish at 2 30 pm and this time should be respected .

#### **SAFETY, HEALTH AND WELFARE AT WORK:**

The Safety, Health and Welfare at Work Act became operative on 1 November 1989. It is an important piece of legislation for the BOM and for those who work in schools, as schools and colleges were brought under the scope of safety legislation for the first time.

It is recognised that school staff may be at risk from violence in the form of verbal abuse, threats, assaults or other forms of intimidation. This behaviour may come from pupils, parents, guardians, other staff members or intruders.

In this respect, all staff should be aware of **DES Circular 40/97** which deals with the procedures to follow if they feel they have been subjected to any of the above behaviours. A copy of this circular can be found in the school's Health and Safety folder.
